facts before the thoughtful people of our city:

A little over two years ago they began this work, which, in spite of difficulties, has steadily progressed. They opened with two boarders, and the increase was such that they had to secure another and a larger house. There are now nineteen boarders, and twelve applicants have been turned away for want of room. They have now determined to open a Lunch-Room on Broad street, and for this nurpose have rented the rooms over Lunpuy's drug-store. On Friday next there will be a pound-party held at these rooms, with a committee of hadies in charge, who will receive all contributions, either in goods or money. All who feel an interest are urgently requested to remember the date, Deember 13th, from 10 to 5: and the place, over Dupuy's drug store, 427 east Broad street.

They would also be giad to show their rooms at 619 cast Main street, and tell them of their plans.
